Helpful during the live lab sessions.
Very patient and smart.
I was very happy he led live lab. He was great at making sure all of our questions were answered and had tabs open on documentation to understand what to input.

Very empathetic. Great instructor.
Isaac seems to have lots of knowledge on the course material, and it shows through live labs and discussions. He's a great help on piazza as well.
Never interacted with this person
king for sure
Isaac was very personable and had great explanations. He made difficult questions more approachable. My only suggestion is to find a better way of recording content than the tiny whiteboard. It was a bit messy and it was often covered by your hand.
He's very open to questions and always makes sure we are all on the same page before moving on.
Another great GSI. Explains material really well too.
God bless this man. Straight up baller. Whenever he was in the Zoom call I knew I'd be getting some great explanations and positive vibes.
